

Aria™ Slab

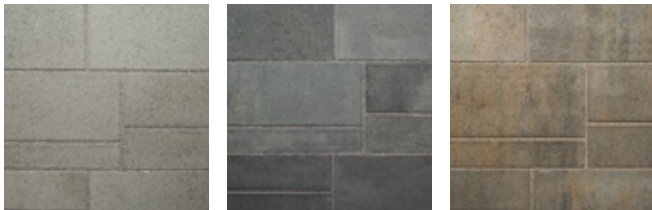

Taking its inspiration from modern architecture, the Aria offers simplicity of design within the 3 paving stones, accented with a crisp false joint on two of the profiles.

- 3 linear profiles for timeless design flexibility
- 60mm thickness makes Aria ideal for patios and walkways

Features & Benefits:

- A seamless smooth surface on each of the 3 modular pavers
- Ingrained false joint in two different positions
- Mix with other 60mm pavers
