

ExpoBrick

CONCRETE BRICK

ECHELON™

Quality masonry products from Oldcastle®

ExpoBrick offers efficient, one-step installation, along with the rich look of brick masonry in a variety of classic and contemporary colour finishes.

Physical performance, usability, and cost effectiveness have earned ExpoBrick exterior masonry bricks the unrivalled reputation for lasting value among design professionals and contractors alike.

Whether a project is large or small in scale, you'll find ExpoBrick masonry bricks are the intelligent choice for exterior masonry.

Characteristics & Benefits

- The aesthetic appeal of traditional clay brick, but at a cost-effective price point
- Compressive strength - 55 mPA
- Impact resistant
- Fire resistant
- Mould resistant
- Sound resistant

EXPOBRICK

190 X 90 X 57 MM
7.5 X 3.5 X 2.25 IN

ExpoBrick offers designers and contractors the durability of concrete masonry coupled with the timeless appeal of brick. Not only does ExpoBrick offer higher durability than traditional brick, but it also allows for simpler one-step installation and colour consistency that will not weather or fade.

ExpoBrick meets CSA building code requirements for compression strength and absorption, is fire and mold resistant and offers Sound Transmission Class (STC) of 45-48.

Contact your local Expocrete key account manager to request samples.
